## AGRICULTURAL & ENVIRONMENTAL CHEMISTRY, DOCTOR OF PHILOSOPHY

**College of Agricultural & Environmental Sciences** 

## **Graduate Study**

The Graduate Group in Agricultural & Environmental Chemistry offers programs of study and research leading to M.S. and Ph.D. degrees in four areas:

- · Environmental & Analytical Chemistry
- · Biological & Toxicological Chemistry
- · Food & Wine Chemistry
- · Fiber & Polymer Chemistry

Detailed information regarding graduate study may be obtained at Agricultural & Environmental Chemistry (Graduate Group) (http://agchem.ucdavis.edu/).

## **Degree Requirements & Program Coordinator**

See Agricultural & Environmental Chemistry (https://grad.ucdavis.edu/programs/gach/).
